Where Care Comes First

2026

Community Report

June 1, 2025 to May 31, 2026

Madelia HEALTH

121 Drew Ave. S.E., Madelia, MN 56062
Hospital: 507.642.3255 • Clinic: 507.642.5200 • Foundation: 507.642.5224
Clinics in Madelia, Truman, St. James, and New Ulm
www.madeliahealth.org

As we enter 2027, healthcare organizations across the country continue to face significant challenges, and rural healthcare is no exception. Rising costs, workforce shortages, reimbursement pressures, and evolving patient needs require us to be more focused and disciplined than ever before. Yet through it all, Madelia Health remains grounded in a simple truth: our strength comes from the people we serve and the caregivers who serve them.

Throughout the past year, we have worked diligently to strengthen our organization and position ourselves for long-term success while continuing to provide high-quality care close to home.

Strengthening Our Future
This year, our focus is clear: ensuring the financial strength and sustainability of Madelia Health so we can continue serving our community for generations to come. We are enhancing revenue cycle operations, improving cash flow management, leveraging artificial intelligence to create efficiencies, and focusing resources on services that provide the greatest value to our patients and organization.

At the same time, we remain committed to our caregivers. In a competitive healthcare environment, attracting and retaining exceptional talent is essential to our success. By investing in our people, culture, and workplace experience, we strengthen both our teams and the care we provide.

The Power of Community
The challenges facing rural healthcare make community support more important than ever. We are deeply grateful for the generosity, trust, and partnership of our patients, donors, volunteers, businesses, and community organizations. Your support helps us invest in the people, technology, and services that keep quality healthcare close to home.

Looking Forward
The road ahead will require continued innovation, adaptability, and thoughtful stewardship. I am incredibly proud of our caregivers, leaders, volunteers, donors, and community partners whose commitment makes our mission possible every day.

Together, we will continue to strengthen our organization, advance local healthcare, and ensure that Madelia Health remains a trusted resource for generations to come. Thank you for your continued support and belief in our mission.

With gratitude,
David Walz, CEO

Services

- Medical & Surgical Care
- Day Surgery
- Transitional Care
- Laboratory
- MRI
- Outpatient Services
- CT Scans
- DEXA Scans
- Bone Densitometry
- Ultrasound
- 3D Digital Mammography
- Physical & Occupational Therapy
- Cardiac Rehabilitation
- 24-Hour Emergency Care
- Infusion Therapy
- Mental Health
- Sleep Studies
- Podiatry
- Wound Care
- Pain Management
- Gait Analysis
- Spirometry Testing
- Consultations for Orthopedics, Ophthalmology, General Surgery, Dermatology, and more!

Foundation Highlights

The Madelia Health Foundation exists to strengthen local healthcare through philanthropy, partnerships, and community support. This year, donors, volunteers, sponsors, and community partners helped advance our mission by investing in equipment, education, and programs that improve care close to home.

Through donor support, the Foundation funded several important healthcare initiatives, including new diagnostic X-ray equipment, a Trophon Ultrasound Wand Disinfection System, an SCD SmartFlow System, and concussion management software for Madelia High School. These investments enhance patient safety, improve access to care, and support positive health outcomes throughout our region.

The Foundation also invested in the future of rural healthcare by awarding **$8,500 in scholarships to 10 students** pursuing healthcare-related careers.

One of the year's most meaningful community traditions was the annual Tree of Remembrance. Families and friends honored loved ones through 74 tributes, generating more than $8,500 in support for local healthcare and welcoming 12 new donors to the Foundation family.

Community fundraising events continued to play an important role in supporting healthcare initiatives. The annual Golf Tournament, Speakeasy Gala, and 5K/1M Run-Walk generated nearly **$39,000 in net proceeds**, while community partnerships such as Lost Sanity Brewery's Beer-for-a-Cause initiative provided additional support for the Foundation's work.

Not every success is measured in dollars raised. Throughout the year, the Foundation focused on building relationships, increasing awareness of its mission, engaging volunteers, and creating opportunities for community members to connect with healthcare initiatives.

Thank you to our donors, volunteers, sponsors, caregivers, and community partners. Your generosity helps ensure that quality healthcare remains available close to home today and for future generations.
